

**For groups with a minimum of  
10 children we've got the  
following options:**

**PANCAKE PARTY:** All the kids get a pancake, which they can decorate with sauces, sprinkles, whipped cream, ice cream, umbrellas etc.

***From \$14.00 per child***

**GOURMETTEN PARTY:** Let the kids cook their own meal at the table. We supply all the ingredients and the kids can cook their own meals. It's heaps of fun and safe.

***From \$16.00 per child (all they can eat)***

**We can also organize a cake, karaoke machine, big movie screen, bouncy castle, magician, clown or story teller for you. We're open to all suggestions so call or contact us and together we can create a great party for your child.**
